Hi Peggy-

Per our conversation see the attached screen shot showing the property that is possibly available for sale (419 E Division St). Owner is interested in selling the entire lot or having the back portion split off and selling the 2 lots separately. Please forward to any town board you may think is interested. If they are interested they can contact Casey Phelan at 708-638-7136. Due to the location I wanted Town of DeMotte to be aware prior to it being put for sale publicly.

Have a great day!!
